

# Gospel Portions! Torah Tidbits.

Podcast By Shirah Chante

## Read the Gospels in a Year: Gospel Portions Chapter Outline

This document outlines a structured reading plan for the four Gospels: Matthew, Mark, Luke, and John. Each portion is designed to facilitate a focused reading experience, with a unique title and clear chapter references. There are 54 Gospel Portions that correlate to the 54 Torah Portions used for Torah Study.

| Portion Number | Title                          | Chapters      |
|----------------|--------------------------------|---------------|
| 1              | The Generation of Jesus Christ | Matthew 1-2   |
